## **1. B.A. LL.B. (Hons.) Five Years Integrated Course**

In view of the excellent record of the Faculty in Legal Education the University of Allahabad decided to launch B.A. LL.B. (Hons.) Five Integrated Course to be run by the Faculty of Law in close association with other faculties of the University. The Course aims at offering instructions in subjects having enormous potential of employment and which have acquired great social, economic and administrative relevance in the contemporary society. In this course the teaching methods have been so devised to enable the students to have a clear grasp of the principles of law as also their application in the problems around them in the society, and inculcate in them a vision for the reforms of social processes through the instrumentality of Law. The students are trained in excellent, effective and convincing communication and expression of the matters in speech as well as writing.

The Classroom teaching is conducted by the vastly experienced faculty. Interactive modes of teaching and group discussions are regularly held. Students are given ample exposure and chance to show their talents. There is a healthy interaction between the teachers and students in the classroom. Students participate enthusiastically in the classroom activities and this in turn helps in their holistic development.

### **1.1 The Mission**

- To expand the horizons of legal knowledge for full growth of human personality and well being of mankind.
- To strive to instill among the students an ardent activist fervor towards our constitutional values, international peace and a just social order.
- To offer an opportunity to pursue studies in law at the earliest possible age to those aspiring to opt for a career in law.
- To devise, develop and apply new teaching techniques, research methods and arrange extension programmes in legal education’.
- To strive to develop better human resource for trade, industry, public administration, department of law and justice.
- To promote studies in law, legal institutions and processes of justice in close context of the knowledge of other discipline having a vital bearing on human behavior and society in all aspects.
- To endeavour to undertake studies in existing and emerging challenges before the Indian and International society and assess and examine the role and importance of law in their resolution.
