

ADDENDUM/CORRIGENDUM PGAT

Candidates enrolled in a Post Graduate program in the University of Allahabad or elsewhere or already holding Post Graduate Degree in any subject are not eligible to appear in PGAT. However in special cases, where a prospective candidate claims a genuine interest in pursuing studies in a new subject of the Post Graduate program, he may be allowed to appear in the Admission Test only when he secured 80% or above marks in his/her previous Post Graduate examination.

Notwithstanding the provisions of above paragraph, candidates enrolled in a post graduate program in a particular subject in the University of Allahabad or elsewhere or already holding the Post Graduate Degree in the particular subject are not permitted to appear in the PGAT in the same subject in any circumstances. In case such candidates appear in the concerned Admission Test despite this prohibition, their candidature for the same (and the admission granted on that basis) shall stand cancelled at any stage.
